

## Regulations in transport of liquids and gels in hand baggage

### RESTRICTED ITEMS :

gels, pastes, lotions, liquid-solid mixtures, toothpaste, hair gels, drinks, soups, syrups, perfumes, shaving foams, aerosols and items with similar consistency.

**Exceptions:** milk and food for babies (when travelling with the baby or child), medicines (liquids, gels, and/or aerosols), and liquids or gels for diabetics, other medical needs or special dietary needs. The security staff will determine if these will be exempt or not.
