1. Introduction

The Appointments and Remuneration Committee of AENA, S.M.E., S.A. (the “**Company**”) presents this report concerning the ratification of the appointment of Ms Angélica Martínez Ortega as a proprietary director of the Company (the “**Report**”) by the General Shareholders’ Meeting of the Company pursuant to Section 6 of Article 529.10 of the Corporate Enterprises Act (the “**LSC**” in its Spanish acronym).

2. Purpose of the Report

In the light of the foregoing this Report is drawn up by the Appointments and Remuneration Committee of the Company for the purpose of:

- (i) issuing an opinion on the proposed ratification of the appointment of Ms Angélica Martínez Ortega as a proprietary director of the Company by the General Shareholders’ Meeting of the Company called for 9 April and 10 April 2019 on first and second call respectively; and
- (ii) assessing the competence, experience and merits of the candidate proposed for the performance of the post of proprietary director.

3. Report to the Board of Directors

Following her appointment by the Board of Directors using the cooptation procedure, the Appointments and Remuneration Committee fully supports the ratification of the appointment of Ms Angélica Martínez Ortega as a proprietary director of the Company in view of a number of factors including the following:

- (i) The favourable opinions received from the other directors, and in particular from the independent directors, in relation to her ratification as a director;
- (ii) Her excellent performance of the duties of her position from the moment she took office;
- (iii) Her extensive experience in the public sector; in Spanish Government organisations;

- (iv) Her highly qualified professional profile that is suitable for the performance of the duties of a proprietary director of the Company due to both her extensive experience and merits in relevant sectors and also her in-depth knowledge of a range of business fields, mainly in legal and economic-financial services; and
- (v) Her previous experience, in recent years largely in leadership and management of primarily economic-financial and legal units in Spanish Government organisations;

which shows that her retention on the Board of Directors and the ratification of her appointment as a proprietary director will bring significant advantages to the Board of Directors.

All of the foregoing can be easily verified in the candidate's curriculum vitae, the most important aspects of which are as follows:

- (i) She has a Law degree from the Autonomous University of Madrid and is a senior government comptroller and auditor.
- (ii) Since June 2018 she has been the Technical Secretary General at the Ministry of Public Works, assisting the Minister and the Deputy Secretary in service coordination.
- (iii) From February 2010 to June 2018 she held the post of Deputy Director General for Inspection and Auditing at the Comptroller General's Office, where her duties included planning and coordination of pre-court control activities in various areas of public spending along with proposed resolution of discrepancies arising in the performance of this control.
- (iv) From 2003 to January 2010 she held various posts at the Sub-Directorate General for Inspection and Auditing as National Auditor and Unit Director performing roles related to the position of Assistant Deputy Director, and previously as Assistant Deputy Director and Head of the Cross-sectoral Unit.
- (v) From February 2002 to March 2003, she was Area Manager in the Audit Office at the Ministry of Science and Technology and Comptroller of the Spanish Patent and Trademark Office, where her duties included prior audit of expenditure, material verification of investment, attending Awards Committees and Boards and auditing and continuous financial monitoring at the agency.
- (vi) She has previously been a member of the Boards of Directors of CETARSA and RUMASA.

The Appointments and Remuneration Committee believes that in order for a director to be able to effectively exercise their supervisory and control role in the Company they must satisfactorily combine sufficient capabilities and competences in any of the following areas:

- (i) knowledge of the sectors in which the Company operates;
- (ii) experience in and knowledge of economic and financial aspects;
- (iii) experience in and knowledge of the Company's most important geographical markets; and
- (iv) experience in and knowledge of business management, leadership and strategy.

Ms Angélica Martínez Ortega's curriculum vitae confirms her competence and merits for the post of director. Her extensive experience in sectors relevant to the Company, such the economic and financial sector, ensures the contribution of plural points of view to the discussion of issues in the Board of Directors.

The above means that the Appointments and Remuneration Committee considers it justified and appropriate to ratify the appointment of Ms Angélica Martínez Ortega as a director of the Company in the belief that such ratification will contribute a valuable profile to the Board of Directors with a view to the performance of the Company's business operations.

4. Conclusions of the Appointments and Remuneration Committee

In short, in the view of the Appointments and Remuneration Committee the candidate meets the requirements of suitability, competence, experience, training, merits and commitment that are necessary and appropriate in order to continue to form part of the Board of Directors of the Company.

In light of the above the Appointments and Remuneration Committee believes it to be warranted that Ms Angélica Martínez Ortega should be ratified as a proprietary director of the Company.
