6. MAIN ACTIVITIES

In this section, a brief summary of the main activities that have taken place during the year 2018 will be given.

A. Appointments and removals in the Board of Directors.

- Given the resignation presented on 8 January 2018 by the proprietary director Mr José María Araúzo González on the occasion of his retirement, at a meeting held on 25 January 2018 the Committee agreed to issue a favourable report on the proposal made by the majority shareholder Enaire to the Board of Directors for the appointment of Mr Ángel Luis Arias Serrano as a proprietary director of the Company for its approval by the General Meeting of Shareholders.
- At its meeting held on 27 February, the Committee drew up the reports concerning the ratification by the General Meeting of Shareholders of the appointments made by the co-optation procedure of Mr Jaime García-Legaz Ponce as an Executive Director and Mr. Ángel Luis Arias Serrano as a Proprietary Director, concluding that they meet the suitability, skills, experience, training, merits and commitment requirements necessary to continue form part of the Board of Directors.
- Likewise, at the same meeting the Committee formulated a proposal for ratification by the General Meeting of Shareholders of the appointment of Mr Josep Piqué Camps as an Independent Director in order to fill the vacancy resulting from the resignation in September 2017 of Mr Simón Pedro Barceló Vadell, as in its view Mr Josep Piqué Camps meets the requirements of suitability, skills, experience, training, merits and commitment that are necessary and appropriate in order to continue to form part of the Board of Directors of the Company.
- After examining the CV of Mr Antonio García-Mon Marañés, at its meeting held on 10 April the Committee concluded that the candidate meets the requirements of suitability, skills, experience, training and merits that are necessary to fill the position of Director of Legal Advisory Services and Asset Management of the company. The Committee also proposed the appointment of Mr Antonio García-Mon Marañés as Deputy Secretary of the Board of Directors of Aena, including a substantiating report to that effect.

- In order to fill the vacancies on the Board of Directors of the Company after the resignation of Ms Alicia Segovia Marco and Ms M^a. Jesús Romero de Ávila Torrijos on 21 June 2018, at its meeting held on 16 July the Committee reported favourably on the appointment as proprietary directors, at the request of the majority shareholder, of Ms Angelica Martínez Ortega, Technical Secretary General at the Ministry of Public Works, and Mr Francisco Ferrer, Director of the Cabinet of the State Secretary for Infrastructure, Transport and Housing, issuing the mandatory reports to the Board.
- Likewise, at the same meeting and as a result of the resignation of Mr Jaime García-Legaz Ponce as Chairman and Chief Executive Officer of the company and his resignation as an Executive Director, the Committee was informed about the majority shareholder's proposal of Mr Maurici Lucena Betriu to fill this position. After examining the report about the candidate compiled by consultants Talengo along with his CV, the Commission concluded that the candidate meets the requirements of suitability, skills, experience, training, availability, merits and commitment that are necessary and appropriate to be part of the Board of Directors of the Company and hold the position of Chairman and Chief Executive Officer, and agreed to submit a favourable report to the Board of Directors while also approving the mandatory report to that effect.
- At the meeting held on 25 September, the Directors were informed of the existence of two vacancies in the position of proprietary director on the Board of Directors as a result of the letters of resignation received from Mr Rodrigo Madrazo García de Lomana and Ms Tatiana Martínez Ramos e Iruela, dated 27 August and 20 September 2018 respectively, after their resignation from their respective positions in the Ministries of Public Works, and Energy, Tourism and the Digital Agenda. In order to fill the vacancy left by Ms Tatiana Martínez Ramos e Iruela, at its meeting held on 30 October the Committee evaluated the proposal to appoint Mr Juan Ignacio Díaz Bidart made by the majority shareholder. It came down in favour of this proposal and suggested his appointment as a proprietary director of the company to the Board of Directors.
- At its meeting held on 27 November and as a result of the resignation on 27 August of Mr Rodrigo Madrazo García de Lomana, to fill this vacancy the Committee evaluated the proposal to appoint Ms Marta Bardón Fernández-

Pacheco made by the majority shareholder. It came down in favour of this proposal and suggested her appointment as a proprietary director of the company to the Board of Directors.

B. Policy for the selection of candidates to the Board

- At the meeting on 25 January 2018, the monitoring report on the Director Candidate Selection Policy was presented to the Committee which reported on it favourably, thereby complying with the Recommendations of the Code of Good Governance of Listed Companies. With regard to the target that by 2020 the number of female directors should account for at least 30% of the total number of members of the Board of Directors, the Appointments and Remuneration Committee concluded that as a result of the appointments made in the course of 2017, the percentage of women on the Board until then has been increased and now stands at 26.67%, very close to the 30% target recommended for 2020 by the Code of Good Governance of Listed Companies. However, it was stated that efforts will be made to achieve this objective at the right time, and in any event no later than the recommended date.

C. Corporate governance and corporate responsibility

- At its meeting held on 27 February 2018 the Committee reviewed the Annual Corporate Governance Report and the Annual Directors Remuneration Report and, following the appropriate recommendations, agreed to submit it to the Board of Directors for approval.
- In addition, at the same meeting the Committee learned about and approved the Non-Financial Information Statement presented in the Annual Report, in other words through a single document that includes financial and non-financial information with the aim of making corporate reporting more consistent. The preparation of non-financial information has been directly supported by the units responsible in each Department for gathering qualitative and quantitative information on time.

- At the meeting on 30 October, the proposed Policy against Corruption and Fraud drawn up under AENA's corporate good governance policies was presented to and approved by the Committee. This policy is anchored in the Company's commitment to the values and principles included in AENA's Regulatory Compliance Policy and Code of Conduct.
- At the meeting held on 27 November, the Secretary presented the Procedure for Managing Conflicts of Interest of Aena, S.M.E., S.A. This document has been drawn up to manage potential conflicts of interest in which the Directors of the Company and their respective Related Persons may be involved in order to comply with corporate and statutory regulations, Aena's Corporate Governance system and other regulations to which the Company is subject. In particular, this includes Act 3/2015, of 30 March, regulating senior officials in the General State Administration when it is applicable and which lays down the need for a procedure. The ultimate goal of the foregoing is to avoid potential conflicts of interest and ensure full transparency in this respect. The procedure was approved by the Committee and reported to all the Directors.
- At its meeting on 18 December, the Head of the Corporate Social Responsibility Division presented to the Committee a summary of the main Corporate Social Responsibility actions included in the CSR Plan approved by the Board of Directors. Likewise, it was proposed to the Committee to allocate sufficient resources to provide real and effective support to social investment and CSR reputation management, make a clear commitment to sponsorship and drive the Executive Committee on Corporate Social Responsibility so as to meet requests from projects conducted in this field in due time and proper form.

D. Assessment

- At the Committee's meeting on 27 November 2018, the Secretary took the floor to explain that this year, as established in art. 19.8 of the Regulations of the Board and following recommendation 36 in the Code of Good Corporate Governance of the Listed Companies, an independent external consultant will help the Board of Directors to carry out this assessment. In relation to this point Mr José María Elías de Tejada, a partner at Deloitte which has been awarded this contract, joined the

meeting to set out the process for assessing the Board, the Committees and the performance of the Chairman and also to present the questionnaires which are to be given to all the directors.

E. Performance Management

- At its meeting held on 25 April the Committee approved the planning of company and senior management targets as part of Aena's Performance Management System (PMS) for 2018, after which the Board of Directors is to be informed for subsequent presentation to the Ministry of Public Works in order to obtain final approval.
- At the meeting on 27 November, approval of the results of PMS targets was presented including interim closing data. Aena's Chairman and CEO explained that the company targets had been met by 111.36%. This over-compliance offsets other personal targets except for values. Likewise, he set out to what extent the personal targets of each member of senior management had been met, which globally had average compliance coming to 100%. Finally, the directors validated the achievement of these targets and agreed to submit them to the Board of Directors.

F. Other issues involving isolated actions

- At its meeting on 16 July the Committee noted and approved the following remuneration conditions of the Chairman and Chief Executive Officer for their presentation to the Board:
 - Basic remuneration: €107,110.50
 - Supplement for the post: €42,884.20
 - Maximum variable component: €11,990.50
- At its meeting on 24 July the Committee was informed about the proposal to turn the Department of Public Policies and Relations with the European Union into the Department of the Cabinet of the Chairman's Office, Regulation and Public

Policies. This included setting out the role of this new department which will report to the Chief Executive Officer and putting forward Mr Ángel Luis Sanz Sanz as its Director. Remuneration for the new post was also described and the proposal made to add the current Department of the Cabinet of the Chairman's Office to the new one as a sub-department which will continue to be led by Mr Almudena Salvadores García. As a consequence of this managerial reorganisation, the Committee was informed that Mr Oscar Arizcuren Pola is to leave his post of Director of Public Policies and Relations with the European Union to lead the Airport Committees Coordination Division reporting directly to the Director General of Regulated Business.

- At its meeting on 25 September, the Committee was informed of the need to fill the post of Director of Communication and Institutional Relations which had been vacant since early September. This meeting was also attended by the Director of Organisation and Human Resources who presented a proposal for an organisational and remuneration change consisting of assigning Institutional Relations roles to the Department of the Cabinet of the Chairman's Office, Regulation and Public Policies. Consequently, the former will be named the "Communications Department" and remuneration will be adjusted between the two posts of director. After examining other candidates, the appointment of Ms María Gómez Rodríguez as Communications Director was proposed.

At this meeting the Directors approved the report of the Appointments and Remuneration Committee concerning the aforementioned appointment and proposed the organisational change set out and the appointment of the Director to the Board of Directors.

- At the meeting held on 18 December 2018, the Secretary of the Committee presented a proposal for the training of Directors for 2019, who agreed to and thus approved the scheme.
