1. IDENTITY

Raúl Míguez Bailo.

2. CURRICULUM VITAE

As a civil engineer who graduated from the Polytechnic University of Madrid, he went on to complete a master's degree specialising in the construction and maintenance of railway infrastructures, as well as an executive training programme at the ESADE Business School.

His professional career has always been closely tied to his experience in railway infrastructures and he currently holds the position of Cabinet Director of the State Secretariat for Transport, Mobility and the Urban Agenda.

He began working in the private sector at a construction company helping to build the Madrid-Barcelona high speed line. He subsequently moved to an engineering firm specialised in tunnel construction, working on the Guadarrama tunnels for the Madrid-Valladolid high speed line.

Following these professional experiences, he joined ADIF via a public employment offer, where he developed his career for 17 years until his appointment at the Ministry of Transport, Mobility and the Urban Agenda. While at ADIF (the Spanish railway infrastructure administrator), he began his time in the public sector as Works Director to later go on to hold positions of responsibility in the field of high speed line construction. He has also held the ADIF positions of Operations Monitoring Director, Internal Auditing Director and Assistant Director to the Chairmanship in the period 2018-2021.

For several years, he taught classes for the AETOS-UPM Master's Degree in Tunnels and Underground Works.

He was appointed as Member of the Board of Directors of the public business entity ADIF AV in September 2021,

He was appointed as a member of the board of directors at Aena, S.M.E., S.A., as well as a member of the Audit Committee and the Executive Committee on 28 September 2021.
