IN RELATION TO THE RATIFICATION OF THE APPOINTMENT BY CO-OPTION AND RE-ELECTION AS PROPRIETARY DIRECTOR OF MR ÁNGEL FAUS ALCARAZ BY THE ORDINARY GENERAL SHAREHOLDERS' MEETING CALLED TO BE HELD ON 18 AND 19 APRIL 2024 ON FIRST AND SECOND CALL, RESPECTIVELY

1. Introduction

The Board of Directors of Aena, S.M.E., S.A. (the “**Company**”) issues this explanatory report in support of the ratification of the appointment and re-election of Mr Ángel Faus Alcaraz as Proprietary Director of the Company (henceforth, the “**Report**”) by the General Shareholders’ Meeting, in compliance with the provisions of Section 4 and 5 of Article 529 decies of Royal Legislative Decree 1/2010, of 2 July, which approves the consolidated text of the Corporate Enterprises Act (“**LSC**”).

In accordance with the provisions of the aforementioned article, the proposal for the appointment or re-election of the members of the Board of Directors who are not considered to be Independent Directors (as is the case) falls within the remit of the Board of Directors. This proposal must be accompanied by a report from the Board of Directors assessing (i) the competence, (ii) experience and (iii) merits of the proposed candidate and preceded by a report from the Appointments, Remuneration and Corporate Governance Committee.

2. Purpose of the Report

In light of the above, this report is prepared by the Company’s Board of Directors for the purpose of:

- (i) justifying the proposal for ratification of the appointment by co-option and re-election as Board of Directors of the Company of Mr Ángel Faus Alcaraz by the Ordinary General Shareholders' Meeting called to be held on 18 and 19 April on first and second call respectively, and;
- (ii) assessing the competence, experience and merits of the proposed candidate for the position of Proprietary Director.

This is in accordance with the terms of Article 529 decies, Section 5 of the LSC.

Accordingly, and in accordance with the provisions of section 6 of article 529 decies of the LSC, the Appointments, Remuneration and Corporate Governance

Committee has issued a favourable report on the appointment by co-option and re-election of Mr Ángel Faus Alcaraz as Proprietary Director of the Company. This report is attached as **Annex 1** for better identification.

3. Report of the Appointments, Remuneration and Corporate Governance Committee

Following the resignation tendered by the Proprietary Director of the Company, Ms Ángela Paloma Martín Fernández, on 16 January 2024 and effective from 29 January 2024, a vacancy had arisen on the Board of Directors of the Company, which is why the Appointments, Remuneration and Corporate Governance Committee, exercising its functions of evaluating the competences, knowledge and experience required on the Board, after the competency matrix had been analysed, has assessed the appropriateness of strengthening the Board of Directors with the inclusion of a Proprietary Director with expert knowledge and experience in the transport sector.

Accordingly, the Appointments, Remuneration and Corporate Governance Committee, in compliance with the Company's Director Candidate Selection Policy, has assessed the good business reputation, suitability, competence, experience, training, availability, merits and commitment needed to be a member of the Board of Directors of the candidate proposed by the majority shareholder "Enaire" and issued a report for the appointment by the Board of Directors, by the co-option procedure, of Mr Ángel Faus Alcaraz, highlighting the outstanding merits of the candidate, who had been appointed Proprietary Director of the Company by the Board of Directors on 30 January 2024 by the co-option procedure.

In view of the need to ratify Mr Ángel Faus Alcaraz's appointment as Director, given that he was previously appointed by the co-option procedure, the Board of Directors initiated the relevant process to evaluate his ratification and re-election.

In conclusion, the mandatory report by the Appointments, Remuneration and Corporate Governance Committee has been requested, which has reported favourably on the proposed ratification and re-election of Mr Ángel Faus Alcaraz as Proprietary Director of the Company, considering that his continuance on the Board of Directors will bring significant benefits to the Board of Directors and, therefore, considering the ratification and re-election of his appointment as Director to be justified and appropriate.

4. Justification for the proposal of the Board of Directors

The Board of Directors believes that, in order for a Director to properly perform his/her duty of oversight and control in the Company, he/she must adequately combine sufficient capabilities and skills, inter alia, in the following areas:

- (i) knowledge of the sectors in which the Company operates;
- (ii) experience and knowledge of technological and financial areas;
- (iii) experience and knowledge of the most important geographic markets for the Company; and
- (iv) experience and knowledge of management, leadership and business strategy.

In view of Mr Ángel Faus Alcaraz's CV, this Board of Directors positively valued his extensive experience in the public sector and in corporate and strategic communication in different institutional spheres, with particular reference to the tourism sector, both nationally and internationally.

The foregoing, along with the reasons advocated by the Appointments, Remuneration and Corporate Governance Committee for said ratification and re-election (which this body endorses), leads the Board of Directors to consider that the ratification of the appointment and re-election of Mr Ángel Faus Alcaraz as Proprietary Director of the Company is justified and appropriate, in the conviction that the selected candidate is a suitable person of recognised solvency, with the competence, experience and qualifications required for the position.

5. Assessment of the competence, experience and merits of the candidate

The competence, experience and merits of Mr Ángel Faus Alcaraz are clear from his CV, which demonstrates his suitability for appointment as Proprietary Director. By way of summary, it should be noted that the following aspects, among others, have been taken into account:

- (ii) He is currently Director of Communications at the Ministry of Industry and Tourism.

- (iv) Between July 2018 and July 2021, he was Director General of Brand Communication and Advertising at Renfe, where he was fully responsible for communication, image and brand, advertising and Corporate Social Responsibility, organising internal and external corporate events, as well as the logistics of attendance at national and international trade fairs.
- (v) He was also Deputy Director General of Communication at the Ministry of Defence.
- (vi) He was in charge of communications for different spokespersons of the socialist group in the Senate from 2014 to 2018 and was previously responsible for the Federal Executive of the PSOE and Director of Communications for the socialist group in the Congress of Deputies.

- (viii) Regarding the media, he has worked in the news services of Cadena SER, Antena 3 and Telecinco.
- (ix) He has also been a lecturer in political communication and a speaker at various seminars and professional masters.

Given the above experience and training, the Board of Directors concludes that the candidate is a suitable person for the position to be filled due to his specialised skills in the area of public sector, corporate and strategic communication and in the tourism sector, both nationally and internationally, providing the Board of Directors with a wide range of knowledge. This, in turn, will encourage a range of opinions and enrich the analyses and proposals discussed by the Board.

6. Conclusions of the Board of Directors

In light of the above, it is the view of the Board of Directors that the candidate has the competence, experience and merits to be named as a member of the Board of Directors and, consequently, considers the ratification of the appointment by co-option and re-election of Mr Ángel Faus Alcaraz as Proprietary Director of the Company to be justified.

Consequently, it proposes the ratification of the appointment by co-option and re-election as Proprietary Director of the Company by the Ordinary General Shareholders' Meeting of the Company called to be held on 18 and 19 April 2024 on first and second call, respectively.

7. Category of Director to which he belongs or should be assigned

The candidate would have the status of Proprietary Director of the Company, as he represents the majority shareholder of the Company. The candidate's availability to provide the dedication required for the performance of the position has been verified.
