

Incentive for airports with more than 3.5 million passengers

Requirement

New routes to new destinations at airports with more than 3.5 million passengers⁽¹⁾, **compared to the previous equivalent season**.
For routes to Asia (see *Incentive on routes to Asia*).

Refund

100% on the passenger charge

This discount will be applied to **the number of passengers** that an airline transports on a **route to a new destination for the airport** (which has not been operated in the **previous equivalent season**), with a **cap fixed at the airline's growth at the airport and in the whole network**.

Application

Must be requested before the end of each season that entitles the generation of the incentive.
