Accessibility for PMR

Special needs passengers

The airport is focused on having the best image possible. Asturias has implemented an **Integrated Quality and Environmental Management System**, certified according to **ISO 9001 and ISO 14001** standards.

Asturias Airport receives the annual award from the '**Sociedad Económica de Amigos del País**' for its contribution to the Asturian economy and its upward trajectory in 2024.

The airport was named **Best Airport by Size and Region (under 2 million passengers in Europe)**, at the ASQ (Airport Service Quality) awards given by the Airports Council International (ACI) in 2022 and 2023.

The airport got '**The Voice of the customer**' recognition by **ACI World** in 2021.

Asturias airport receives one of the '**Desks of Honor**' prizes within the project Communication and School Forum, organized by the Secondary Education Institute of Vegadeo in 2018.

Asturias airport is awarded by the **Avilés Club de Empresas for its 50 years** "of service to the region and its relevance as an essential agent in the development of meetings and conferences tourism, and the organization of events in the region".

Asturias Airport was **certified by the Spanish Aviation Safety Agency (AESA), according to EU 139/2014 regulation.**

Associations have rewarded the airport's work:

- Aspaysm prize to accessibility for "continuous improvement in serving the accessibility needs of all citizens and the high degree of user satisfaction".

Yearly **quality surveys** for airlines and passengers are carried out in order to monitor their perception of the airport services.

AENA and the Sustainable Development Goals

We guarantee sustainable consumption modalities

We generate a sustainable economic growth

We promote diversity and social inclusion

We strengthen partnerships to achieve sustainable goals

We protect the environment and fight against climate change

Towards Sustainable Development
