Quality, environment & awards

P. Mallorca

The airport is focused on having the best image possible. P. Mallorca airport has implemented an **Integrated Quality and Environmental Management System**, certified according to **ISO 9001 and ISO 14001** standards as well as the requisites for being certified according to **ISO 20906 Unattended monitoring aircraft sound in the vicinity of airports.**

The airport was named **Best Airport by Size and Region (25-40 million passengers in Europe),** at the ASQ (Airport Service Quality) awards given by the Airports Council International (ACI) in 2022, 2024 and 2025.

The airport was named **Best Airport in Europe in the category of facilities** (25-40 million passengers in Europe), at the ASQ (Airport Service Quality) awards given by the Airports Council International (ACI) in 2023.

P. Mallorca Airport is committed to protecting the environment, in accordance with the Aena Integrated Quality, Environment and Energy Efficiency Management Policy.

P. Mallorca airport has a **Web Trak application** to control the **Acoustic impact**, available on Aena's webpage, which provides precise and transparent information on aeronautical operations and their sound levels.

The airport got `**The Voice of the customer**´ recognition by **ACI World** in 2021.

P. Mallorca airport was awarded by the **Balearic Bussiness Federation of Transports** for the good institutional relations and the excellent air traffic data registered in 2015.

P. Mallorca is listed within the **top ten Southern Europe Airports** in the Skytrax 2013 passengers surveys. In 2011, the Palma de Mallorca Airport was distinguished with the **Airport Service Quality Awards** by **Skytrax** in the category of Best Improvement by **ACI**.

P. Mallorca Airport was **certified by the Spanish Aviation Agency (AESA), according to EU 139/2014 regulation.** Winner of the **ACI Europe Best Airport 2009 Award** at the "10-25 million passenger" category for its strong relationships with its airline costumers & its successful adoption of a hub strategy.

P. Mallorca Airport has **Level 4 Optimization certification** under **ACI Europe's Airport Carbon Accreditation Programme** for its reduced carbon footprint.

As part of the environmental initiatives that P. Mallorca Airport is implementing, it has acquired new electric vehicles and installed charging points for electric vehicles.

Yearly **quality surveys** for airlines and passengers are carried out in order to monitor their perception of the airport services.

Our commitment with sustainability

P. Mallorca

AENA and the Sustainable Development Goals

We guarantee sustainable consumption modalities

We generate a sustainable economic growth

We promote diversity and social inclusion

We strengthen partnerships to achieve sustainable goals

We protect the environment and fight against climate change
